Currently it is looking like we will be having about a dozen athletes. It has been many years since we have had this many interested in track. Our middle school team will be of good size too, with approximately 25 athletes turning out. Middle school will begin practice on March 18<sup>th</sup> and will be coached again by Mrs. Bridget McLaughlin. We wish them all a great season. There will be an open house, chili cook-off and spelling bee on February 20<sup>th</sup> starting at 6:00PM. Classrooms will be open for parents, family and community members, to see what has been taking place here at Glenwood School for the first half of our year. Chili will be served, free of charge, in the multipurpose room by the A.S.B. If you would like to enter the chili cook-off, please have your entry at the school by 5:30PM on this day. A prize will be awarded to our cook-off winner. We will run the same spelling bee format as last year, beginning with the elementary grades 1<sup>st</sup> through 5<sup>th</sup>, followed by a division for middle school, high school and finishing off with a division for community members.

### **SWEETS FOR YOUR SWEETIE**

The class of 2021 is offering a Valentine package in February, featuring a heart-shaped mylar balloon, a heart-shaped box of chocolates and a special Valentine. Send one of these special gifts to family, friends or a loved one. Students enjoy receiving one at school. For only \$10.00, valentines will be delivered on Thursday, February 14<sup>th</sup> to recipients in the Glenwood Valley. To purchase one please contact a member of the Class of 2021 (Preston Bartek, Malachi Bren, Micah Fitzsimmons, Derek Gimlin, Duly Morris, Emma Odom, Nahaleigh Schuster and Bricin Whitefield) or their advisor Miss Alexander.

Life lessons are learned while pursuing our fundraising endeavors. There will be an individual goal chart as well as an overall goal for the class. We discuss where the break-even point occurs and when our profit begins. We use problem-solving skills to determine the best way to distribute all valentine packages we sell and learn to meet and greet customers in a friendly, competent manner. Thanks for supporting the Class of 2021.
