

VISION

A COMMUNITY OF STUDENTS, PARENTS, TEACHERS, AND CITIZENS THAT BELIEVES IN THE IMPORTANCE OF LEARNING AND LIVING TOGETHER, AND WHO STRIVE TO ASSIST CHILDREN IN MEETING HIGH EXPECTATIONS WHICH ALLOW FOR SUCCESS IN AN EVER-CHANGING WORLD.

BELIEFS

1. Quality education requires a safe, supportive, and caring environment.
2. People support education that they help to create.
3. The student, family, schools, and community all share responsibility for education.
4. Everyone can learn.
5. People learn at different rates in different ways.
6. All people are entitled to a quality education in order to reach their potential.
7. Respect for individual, cultural, and ethnic differences enriches our community.
8. Education empowers individuals to continually recreate their future.
9. Progress requires the courage to change.

MISSION

Our mission is to develop self-directed, lifelong learners empowered to participate successfully in an ever-changing society by establishing, in partnership with the community, challenging yet nurturing environments in which individual differences are respected and where every child and adult experiences the joy of learning.
